Engineer Report Mr. Wray had a lengthy discussion with the Board on what the firm is doing to address the work Dale Mills, DEP Project Manager, is requiring to have this project ME#75338 finally closed out. Mr. Wray stated DEP wanted information relative to the quantities on the restoration work including township road paving and driveways. DEP is concerned about items that are in excess of 10% of the bid quantity. Mr. Wray said the firm gave the best explanation he could. The board wanted to know where to we go from here. Mr. Wray suggested the board request a field inspection.

Solicitor Report

BVMA Report – Mr. Pisarcik stated a new sanitarium will be having an inspection on January 24. At that time I will ask questions about the lead and copper report that needs to be done in 2024. The new pump was placed in on Franklin Street at this time some tweeting needs to be done to have everything run properly. A new sewage tap was installed on Fords Corner; also, a new meter pit was placed in Vintondale. Form 43 lab test have been all completed. In the new year the objectives are to work on sewage infiltration, water loss in the system and the lead and copper report. Meetings in 2024 will be held in Vintondale
